Supporting Local Farms

Leidy's is a small family-owned company in the heart of Pennsylvania Dutch Country with over 100 years of providing excellent pork. Leidy's is passionate about pork! They developed the Nature's Tradition line of fresh pork so families can enjoy the **flavor and nutritional benefits** of the purest, highest quality, all-natural pork.

The stress-free environment on the farms along with the highest quality feed from local feed mills yields a more **tender and juicy** pork.
